

# Your Love Is Like a River

## Third Day

Your love is like a river flowing from my heart  
When this cruel world tears us apart  
Your love is like a river flowing from my heart  
When sharpened words have left there scars  
Your love is like a river flowing from my heart  
And it's overflowing and showing us all  
How deep and how wide is your love  
It never stops, it rages on  
Your love is like a river flowing from my heart  
When I am tired and so afraid  
Your love is like a fire that will light my way  
When darkness comes and my vision fades  
Your love is like a fire that will light my way  
And it's always burning and stirring my soul  
To know you and love you much more  
It never stops, or ever fades  
Your love is like a fire that will light my way  
IT'S NEVER GONNA STOP  
IT'S FLOWING FROM MY HEART  
IT'S NEVER GONNA FADE  
YOUR LOVE WILL LIGHT MY WAY  
When all my strength and hope is gone  
Your love is like a rock that I am standing on  
Your love is like a river flowing from my heart  
Your love is like a fire that will light my way  
Your love is like a rock that I am standing on  
Your love is like a river flowing from my heart
