

What the World Needs Now Is Love

Burt Bacharach

Lord we don't need another mountain
There are mountains and hillsides enough to climb
There are oceans and rivers
Enough to cross, enough to last 'till the end of time
What the world needs now is love, sweet love
No not just for some but for everyone
Everyone
Lord
Lord, world needs now is love, sweet love
It's the only thing that there's just too little of
What the world needs now is love, sweet love
No not just for some but for every, every, everyone
What the world needs now is love, sweet love
What the world needs now is love, sweet love
What the world needs now
