

Killin' Kind

Lita Ford

Did the lights go out forever?
Has the night just gone insane?
Did what's broken fall together?
Has my heart gone down in flames? Though I heard your lies, I can't deny
I canker for the feeling
And I know it's wrong but I'm hanging on
Crying in my sleep So wrong
(I'm over my head)
So right
(I'm out of my mind)
Your love is the killin' kind Two hearts
(You swallow my heart)
One life
(Like you swallow my life)
Your love is the killin' kind If I only could remember
Why I let you in so deep
If I'd only known you better
I could have put these dreams to sleep Well, you haunt me now, you wear me down
Get me where I'm weak
Yeah, you twist the knife, you sacrifice
Bring me to my knees So wrong
(I'm over my head)
So right
(I'm out of my mind)
Your love is the killin' kind Two hearts
(You swallow my heart)
One life
(Like you swallow my life)
Your love is the killin' kind I know
I know if the end of the world falls in your arms
I remember, every tear I ever cried for you
Baby, baby, when I said I'd die for you
I lied So wrong
(I'm over my head)
So right
(I'm out of my mind)
Your love is the killin' kind Two hearts
(You swallow my heart)
One life

(Like you swallow my life)
Your love is the killin' kind So wrong
(I'm over my head)
So right
(I'm out of my mind)
Your love is the killin' kind Two hearts
(You swallow my heart)
One life
(Like you swallow my life)
Your love is the killin' kind, yeah So wrong, so right, your love
Your love is the killin' kind
Two hearts, one life, your love
Your love is the killin' kind
So wrong, so right
Your love is the killin' kind
