

# Here (Squirmel Mix)

## Luscious Jackson

please die for me  
yeah yeah  
please die for me  
yeah yeah  
yeah yeah ow  
hold this for me  
down here  
here i come  
you can't stop me now  
i will be the one  
who keeps you around  
yeah yeah ow  
peace and loving everywhere get on the floor  
let's dance some more  
get on the floor  
let's dance some more  
get on the floor  
let's dance some more  
get on the floor  
let's dance some more  
when they tell me  
that i got that homeless look  
yeah yeah  
i think of warm air you bring here i come you can't stop  
me now  
i will be the one  
who keeps you around  
yeah yeah ow  
asphyxiation driven get on the floor  
let's dance some more  
get on the floor  
let's dance some more  
get on the floor  
let's dance some more  
get on the floor yeah here i come  
you can't stop me now  
here i come  
you can't stop me now  
here i come

you can't stop me now  
hold this for me down here  
yeah yeah ow peace and loving  
everywhere  
here i come you can't stop  
me now i will be the one  
who keeps you around  
yeah yeah ow get on the floor  
let's dance some more  
get on the floor  
let's dance some more  
get on the floor  
let's dance some more  
get on the floor
