

# In a Big Country

moe.

Come up screaming  
Come up screaming  
I've never seen you look like this without a reason  
Another promise fallen through  
Another season passes by you  
I never took the smile away from anybody's face  
And that's a desperate way to look  
For someone who is still a child

In a big country dreams stay with you  
Like a lover's voice fires the mountainside  
Stay alive

I thought that pain and truth were things that really mattered  
But you can't stay here with every single hope you had shattered  
I'm not expecting to grow flowers in a desert  
But I can live and breathe  
And see the sun in wintertime

In a big country dreams stay with you  
Like a lover's voice fires the mountainside  
Stay alive  
Stay alive

So take that look out of here it doesn't fit you  
Because it's happened doesn't mean you've been discarded  
Pull up your head off the floor?come up screaming  
Cry out for everything you ever might have wanted  
I thought that pain and truth were things that really mattered  
But you can't stay here with every single hope you had shattered  
I'm not expecting to grow flowers in a desert  
But I can live and breathe  
And see the sun in wintertime

In a big country dreams stay with you  
Like a lover's voice fires the mountainside  
Stay alive  
Stay alive  
Stay alive
