

Infatuation / Memories (Remix)

Bronski Beat

Hundreds & Thousands (Somerville/Steinbachek/Bronski)

Oooh, oooh, oooh, oooh

Memories, sweet memories

Lost in these memories

Lost I should stay Days, brilliant days

Love filled these brilliant days

These days are foregone

Alone, alone I pray Love that was wonderful

Love nobody knows

My head it cries from wall to wall

My heart will scream down down I fall My heart, down I fall, down I fall
