

Yellow Fever (Frustration Plantation Out-Take)

Rasputina

It was a deadly yellow fever epidemic
At first only a few where sick and then it
 Started raging bad,
It was the wort this town has had
 It was the summer of 1853
 Only my dear old dad and me
 Escaped alive
Escaped unscathedSummer of 1853
 the river reeked of mortality
 Summer of 1853
 the river reeked of mortality
It was a deadly yellow fever epidemic
