

# Best In Me

## Blue

From the moment I met you, I just knew you'd be mine  
You touched my hand and I knew that this was gonna be our time  
I don't ever wanna lose this feeling  
I don't wanna spend a moment apart 'Cause you bring out the best in me, like no one else can do  
That's why I'm by your side and that's why I love you Every day that I'm here with you, I know that it feels right  
And I've just got to be near you every day and every night  
And you know that we belong together, it just had to be you and me 'Cause you bring out the best in me, like no  
one else can do  
That's why I'm by your side and that's why I love you, oh And you know that we belong together, it just had to  
be you and me 'Cause you bring out the best in me, like no one else can do  
That's why I'm by your side 'Cause you bring out the best in me, like no one else can do  
That's why I'm by your side and that's why I love you Baby, 'cause you bring out the best in me, like no one  
else can do  
That's why I'm by your side and that's why I love you
