

# Friend Emptiness

## Beseech

one day i woke up to the light from the sun  
i thought the night ghost were all gone  
felt that things weren't like they used to be  
waking with anxiety by my sidemy heart, my soul everything's gone  
everything's gone  
my heart, my soul everything's gone  
everything's goneeven the sun cannot light up the day  
everything seems to be without colours  
silence was the only thing i heard  
wanted to go back againmy heart, my soul everything's gone  
everything's gone  
my heart, my soul everything's gone  
everything's gone
