

Hello It's Me

Mary J. Blige

Hello, it's me, I've thought about us for a long, long time
Maybe I think too much but something's wrong
Something here that doesn't last too long
Maybe I shouldn't think of you as much
Seeing you or seeing anything as much as I do you
I take for granted that you're always there
I take for granted that you just don't care
Sometimes I can't help seeing all the way through
Baby, it's important to me that you know you are free
'Cause I never want to make you change for me
Think of me, you know that I'd be with you if I could
I'll come around to see you once in a while
Or if you ever need a reason to smile
And spend the night if you think I should
It's important to me that you know you are free
'Cause I never want to make you change for me, for me
Think of me, you know that I'd be with you if I could
I'll come around to see you once in a while
Or if you ever need a reason to smile
And spend the night if you think I should
Hello, it's me, it's me, baby
I've thought about us for a long, long time
Maybe I think too much but something's wrong
There's something here that doesn't last too long, baby
Maybe [Incomprehensible]
Seeing you or, or anything as much as I do you
I take for granted that you're always there
I take for granted that you just don't care, hello
