

Stone Cold Gentleman (Rizz's Interlude)

Ralph Tresvant

Uh, stone to the bone baby, yeah
Who's the mack?
Stone cold, baby, I'm stone cold Am I what you're missing? The kind of guy
Who gives you a dozen roses everyday
Shower you with hugs and kisses
And making sure that you get love in each and every way My Momma told me to remember boy
She says a woman is your pride and joy
And that's why I treat you with seniority
A gentleman is what I strive to be I'm a stone cold gentleman, I do all that I can
Give my heart, my charm, my personality
I'm a stone cold gentleman, so girl, just take my hand
'Cause you've been missing out on what is chivalry Yeah, stone cold gentleman
Aw baby, stone cold
Baby, I'm stone cold
Here we go, come on
Here we go, come on Now I, baby don't mind giving, no
Giving you the kind of love that I know you deserve
'Cause I'll be there yeah 24/7 To treat you nice day and night
Oh baby, just say the word And I will open every door for you
Send your letters and some sweet perfume
I'll call you up to say I love you so
I do special things 'cause I want you to know I'm a stone cold gentleman, I do all that I can
Give my heart, my charm, my personality
I'm a stone cold gentleman
You've been missing out on what is chivalry I'm a stone cold gentleman and I'll treat you right
Give my heart, my charm, my personality
'Cause baby I'm stone cold She kinda got a future behind her
She gotta lotta future behind her
Big bright future behind her
You know it
Hey, excuse me, baby I'll open doors for you
Send you some sweet perfume
I'll call you baby, don't you know
Oh, I do special things 'cause I want you to know Here we go, come on
Here we go, come on I'm a stone cold gentleman but I
Don't like a girl that tries to get too fly
Remember that day I spoke, you kept walking
Pulled up in the Benz today and you were honking my boys
And all of a sudden you started giving the rhythm up

Its plain to see you're just out for the benjamins
Yo, Rizz, ain't she the one that stepped at the high ha
B, and I ain't even trying to go out like thatStone cold, baby, I'm stone cold
Baby, I'm not, no Casanova
But I'll give my heart, I'll give you my charm
Baby, I'm a gentleman and I'm not trying to win you over
No, just give me your hand and I'll do what I can
'Cause baby, I'm stone coldI'm a stone cold gentleman, I do all that I can
Give my heart, my charm, my personality
I'm a stone cold gentleman, so girl, just take my hand
Cause you've been missing out on what is chivalryBaby I'm stone, aw sugar, I'm cold
Aw, I'm gonna treat you nice day and night, day and night, baby
Baby, say the word and I'll be right there
Ooh, gonna open every door for you, just for you babyI'm a stone cold gentleman, I do all that I can
Give my heart, my charm, my personality
I'm a stone cold gentleman, so, girl, just take my hand
'Cause you've been missing out on what is chivalryI'm a stone cold gentleman
I'll treat you right all day and night
Baby I'm stone cold
