

Beautiful Loser

Jon English

He wants to dream like a young man
With the wisdom of an old man
He wants his home and security
He wants to live like a sailor at sea
 Beautiful loser
 Where you gonna fall?
 When you realize
 You just can't have it all
He's your oldest and your best friend
If you need him, he'll be there again
He's always willing to be second-best
 A perfect lodger, a perfect guest
 Beautiful loser
 Read it on the wall
 And realize
 You just can't have it all

 You just can't have it all
 you just can't have it all
 ohh, ohh, can't have it all
you can try, you can try, but you can't have it all
 oh yeah
He'll never make any enemies, enemies, no
He won't complain if he's caught in a freeze
He'll always ask, he'll always say please
 Beautiful loser
 Never take it all
 'Cause it's easier
 And faster when you fall
 You just don't need it all
 You just don't need it all
 You just don't need it all
 Just don't need it all
