

Excuses

Broken Back

I'll choose each word carefully
Because I need to write it down
I know you've never lied to me
And deserve to know what's in my mind
My turn to tell you what I think
Listen to what I'm singing
All of the lines I'm gonna write
Are silently blasting in my mind
We tried, I failed
Even if I can't give you
What you want, I want you to know
That I'll ever ever love you
We tried and I failed
I perfectly know that I hurt you
All those tears were my shame
But I'll ever ever love you
But I'll ever ever love you
When we first kissed, I was lost
I'm not saying I didn't want
But now I know how I hurt you
I can't help thinking that I did wrong
Maybe I was afraid, not to satisfy
All of the hopes you put on me
Now I know how delicate
What I asked you turned out to be
We tried and I failed
Even if I can't give you
What you want, I want you to know
That I'll ever ever love you
We tried, I failed
I perfectly know that I hurt you
All those tears were my shame
But I'll ever ever love you
But I'll ever ever love you
But I'll ever ever love you
We tried, I failed
Even if I can't give you
What you want, I want you to know
That I'll ever ever love you
We tried, I failed
I perfectly know that I hurt you
All those tears were my shame
But I'll ever ever love you
But I'll ever ever love you
