

Trippy (Feat. Rich Hill)

Kid Cudi

Have you gone trippy trippy? x3
Have you gone trippy trippy? x3
Say I have gone gone and never come back and never ever come back
Have you gone trippy trippy? x3
Have you gone trippy trippy? x3
Feel it in my vains
Feel it in my soul
Feel it in mind
Feel it my heart
Feel it in my soul
Feel it in my world
Feel it in my space
Feel it in my life
Feel it in my eyes, in my eyes I'm tripping, in my eyes
Have you gone trippy trippy? x3
Have you gone trippy trippy? x3
Tell me have you gone trippy x3
Have you gone trippy trippy? x3
I can't see the sun if it doesn't come through my shades
I dont wanna see noone but myself today
Now im just tripping on the love I had yesterday
Time passes by me day by day
I feel it in my bones Feel it in my lungs
Feel it in my brain Feel it in a day Feel it a night
Feel it in a daaaay
Never feel the same, I always feel different
Never feel the same
Now im just tripping Going on my trippy
Going on my trippy trippy trippy
Tell me have you gone trippy trippy
Have you gone trippy trippy? x3
No i cant get my radio to play no songs
No i cant get my spaceship to fly away
I think I can make it work but today is not my day
So now i think its time for us to fly away
Yeah
I cant see the sun if it doesnt come through my shades
I dont wanan see noone but myself today
Im just tripping on the love I had yesterday

Time passes by me day by day
