

Cujo

JEFF the Brotherhood

Rabid dogs are scratching at my door
But I won't let 'em in because
I've been bitten before.
These dogs are nothing like my baby
'Cause they don't really love me,
They just wanna hurt me. So please just leave me alone.
I'm waiting for real love to come and take me home. And I'm locking myself in my car
'Cause there's a dog outside
who wants to eat my heart.
And I'm locking myself in my car
'Cause there's a dog outside
who wants to tear my body apart. Oh no.
These dogs, they want me to let them inside
but they just wanna use me, I can see it in their eyes.
These dogs, they look so cute and sweet,
but they don't care about me.
They wanna see me bruised and bloody.
