

# You're a Jerk

## Wasted Youth

You don't mean nothing to me  
You're not cool so blow away  
    You're a jerk  
What I see is a jerk you know  
What you are is a fool you know  
Well, I don't want nothing from you  
    You're a jerk so blow away  
        You're a jerk (x3)
