It was the greatest mistake of all time.
It wasn't wrong; it was completely wrong.
But I'll go away.
I had it coming (6x)
I don't wanna get caught,
I don't wanna get involved.
I don't wanna keep running 'till I'm seen.
I don't wanna give it back.
I don't wanna get mad.
I don't wanna keep running 'till I'm caught,
You see...
I had it coming (6x)
All around...

Have the operator call me down.
I'd surrender without a sound.
I don't wanna get caught,
I don't wanna get involved,
I don't wanna keep running 'til I'm seen.
I don't wanna give it back.
Has everybody gone mad?
I don't wanna keep running 'til I'm caught,
Oh, yes, indeed,
I had it coming (6x)
All around...
I had it coming.
I had it coming.
I had it coming.
I had...
