

I Had It Coming

White Rabbits

It was a long shot, but never mind.
It was the greatest mistake of all time.
It wasn't wrong; it was completely wrong.

But I'll go away.

I had it coming (6x)

I don't wanna get caught,
I don't wanna get involved.
I don't wanna keep running 'till I'm seen.
I don't wanna give it back.
I don't wanna get mad.
I don't wanna keep running 'till I'm caught,

You see...

I had it coming (6x)

All around...

Have the operator call me down.
I'd surrender without a sound.
I don't wanna get caught,
I don't wanna get involved,
I don't wanna keep running 'til I'm seen.
I don't wanna give it back.
Has everybody gone mad?
I don't wanna keep running 'til I'm caught,

Oh, yes, indeed,

I had it coming (6x)

All around...

I had it coming.

I had it coming.

I had it coming.

I had...
