

# If I Had a Woman

## Sloppy Seconds

She's got the personality of Darth Vader  
And the mentality of a sixth grader  
I better get her now, while I still hate her  
The way I hated you  
While she still just a hole to crawl into  
And I've still got my prideBut if I had a woman  
If I had a woman that I could abuse  
If I had a woman that I could cruel to  
Wish I had a woman that I could refuse  
And then I guess that I'd be satisfiedWhy does she have to be more than just a pair of legs?  
And why can't I let her be just another fertile egg?  
I better get her now before I have to beg  
The way I did before  
While I'll still take any port in a storm  
And I've still got my prideBut if I had a woman  
If I had a woman that I could annoy  
If I had a woman to take all the lashes  
I wish I had a woman that I could destroy  
'Cause then I guess that I'd be satisfied
