I Didn't Mean to Do It

Silk

Oooh, yeah, yeah

[1]
I didn't mean to break your heart
I didn't mean to do you wrong
I didn't mean to lie to you
I didn't mean to, I didn't mean to

I didn't mean to sex off on you
I didn't mean to make you cry
I didn't mean to cheat on you
So forgive me for all that I've done

I didn't mean to take for granted
That you would always be right here
I know you heard me say I'm sorry
So many years

But I admit that I was wrong
For leaving you all alone
But now I finally realize
Cuz I see the pain in your eyes

[Repeat 1]

Girl I hope that you still love me
I'm trying to let you know I've changed
I can't imagine life without you
I'd go insane

I wanna make it up to you
By giving all my love to you
Cuz now I finally understand
That I've got to be a better man

[Repeat 1]

Girl, I swear to you I've changed
Things won't be the same no more
For as long as I live

I'll keep it real with you girl

Cross my heart and hope to die
My hurtin' eyes been crying for weeks
Put me in the corner
Put me in time-out
Mistakes I've made before
I wouldn't make no more, girl

So cus me out
Scream at the top of your lungs if you want to
Just don't leave me, forgive me

[Spoken]
Baby, I know I made alot of mistakes in the past
But right now I'm trying to be the best that I can be
And I want us to be the best that we can be
So what I'm asking you to do for me right now is
To try to forgive me, I'm sorry
Forgive me, forgive me, oh

[Repeat 1]

I'm down on my knees, begging you please
I'm down on my knees, begging you please
I'm down on my knees, begging you please
So forgive me for all that I've done

I'm down on my knees, begging you please
I'm down on my knees, begging you please
I'm down on my knees, begging you please
So forgive me for all that I've done

What I'm saying is that
We've got too much to live for
We've got too much together, baby
Just don't let it all end
Oh baby, I wish I could let you know
Just how sorry I am
I know I hurt you
I don't ever want to hurt you again
Cuz when I hurt you, it hurts me too
I'm sorry

Think about it
What about the kids?

I don't give a damn about the house and
I don't give a damn about the car
But as long as you and my kids are in my life
That's all that matters
Please, find it in your heart to forgive me
I'll never do it again, I promise, baby
I love you too much
How I love what we have together
Cuz in my mind, one and one makes one, it don't make two
Don't you know I need you
Oh I love you
