

Little Green Bag

Tom Jones

Looking back on a track for a little green bag
I gotta find, just a kind, I'm losing my mind.
Out of sight in the night, out of sight in the day
Looking back on a track, I'm gonna do it my way
Out of sight in the night, out of sight in the day
looking back on a track, I'm gonna do it my way. Looking for so happiness
but there is only loneliness to find
Jump to the left, turn to the right
looking upstairs, looking behind
