

# These Pricks Are Wrong

## External Menace

there's come a time  
when we hid a certain call  
when the world must come together as one

we can't go on pretending they by they that someone somewhere we'll soon make a change we are all a part of  
god greats big family and the thurts you know love it's all we need  
we are the world we are the children we are the one who make brighter they so let's start giving there's a choice  
we're making we're saving on our love it's true we'll make a brighter they just you and me
