Major Minor Love

Rhye

I'm so bad, I'm so bad
I'm so bad, I'm so bad
I'm so bad, I'm so bad
I'm so badAcross your face
You've got my heart faded triple time
A dark rhythm beating just behind
Exposed to sudden reroll
Across your face
Oh, your faceI'll ask your thighs, with beautiful lies
Kidnap your mind, I'll help you find
A gentile pain, rush through your veins(Chorus)
It's like the song
Love grew so bad, so bad
So bad, I'm so bad
So bad, I'm so bad
So badOh I know that sight in you
I'll be that pretty noise through, I'll be that sonnet for you
So bad, I'm so bad
So bad, I'm so bad
So bad, I'm so bad
So badI ran over that part of you
Play that pretty line just for you
I'll be that gentile tune (gentile tune)
Oh, let's soonI called in my part, different kind
I'll help you find
What's in your mind?
I'll be that play (across your face)
It's so much good yea(Chorus)
It's like the song
Love grew so bad, so bad
So bad, I'm so bad
So bad, I'm so bad
So badSo many things I wanna do
I'll split you into two
But two minds are better set
So bad, I'm so bad
So bad, I'm so bad
So bad, I'm so bad
So badYou'll be my body of words

A major minor loveI'm so bad, I'm so bad
I'm so bad, I'm so bad
I'm so bad, I'm so bad
I'm so badIt's a major minor love
It's a major minor loveI'm so bad, I'm so bad
I'm so bad, I'm so bad
I'm so bad, I'm so bad
