

Why Don't You Come Over

Garbage

Advisory - the following lyrics contain explicit language:

It's been a crazy time for us
Of pushing all our limits
Snappin' necks and breakin' balls
And you'd have done the same You were bakin' biscuits
While I went bent the law
Sacrificing something
As you counted all my flaws Why don't you come over?
So why don't you come over?
So why don't you come over?
So why don't you come over? So why don't you come over?
So why don't you come over?
So why don't you come over?
So why don't you come over
And walk in my shoes? You wanna live freely don't wanna die
You want it you got it you chase a high
You wanna be out there you wanna race
You wanna take over just gotta play Why don't you come over?
So why don't you come over?
So why don't you come over?
So why don't you come over? Why don't you come over?
So why don't you come over?
So why don't you come over?
So why don't you come over?
And walk in my shoes? Well, I'm a good person don't wanna fight with nooned
But you piss me off you keep pushin', pushin'
You best step off the gas boy all bets are off fuck you
You taste like toxic poison I'll wash my hands of you Why don't you come over?
So why don't you come over?
So why don't you come over?
So why don't you come over? Why don't you come over?
So why don't you come over?
So why don't you come over?

So why don't you come over
And walk in my shoes?
Walk in my shoes Why don't you come over?
Why don't you come over?
Why don't you come over?
Why don't you come over?
Why don't you come over?
Why don't you come over?
Why don't you? Cut it
