The Answer

Josh Kumra

The road was miles ahead
It fell away, now I'm at the end
Just a sky, the fall, and you
Got holes in my parachute
So many questions in my head
Then you sayNever gonna find all the answers
Answers will find you
Don't know how I'll feel tomorrow
Don't know the truth
But we can lie, lie, lie, lie here together
Lie, lie, lie, lie here togetherI don't care if we're gonna crash
It feels good when we go too fast
If we only have the night
Well it won't be a waste of time
I'm so brave, I come alive
When you sayNever gonna find all the answers
Answers will find you
Don't know how I'll feel tomorrow
Don't know the truth
But we can lie, lie, lie, lie here together
Lie, lie, lie, lie here togetherGood things come to those who don't wait
For the right time, right place
Good things come to those who don't wait
For the right time, right time, right time
Right placeNever gonna find all the answers
Answers will find you
Don't know how I'll feel tomorrow
Don't know the truth
But we can lie, lie, lie, lie here together
Lie, lie, lie, lie here together
