

# Indifference

## Roseaux

i will light the match this mornin', so i won't be alone  
watch as she lies silent, for soon light will be gone  
i will stand arms outstretched, pretend i'm free to roam  
i will make my way, through, one more day in hell...  
how much difference does it make  
how much difference does it make...  
i will hold the candle till it burns up my arm  
i'll keep takin' punches until their will grows tired  
i will stare the sun down until my eyes go blind  
hey i won't change direction, and i won't change my mind  
how much difference does it make  
how much difference does it make.  
how much difference...  
i'll swallow poison, until i grow immune  
i will scream my lungs out till it fills this room  
how much difference  
how much difference  
how much difference does it make  
how much difference does it make.
