

# It's No Good

[Chevelle](#)

Gonna take my time  
I have all the time in the world  
To make you mine  
It is written in the stars above How God's degree  
You'll be right here by my side  
Right next to me  
You can run but you can not hide Don't say you want me  
Don't say you need me  
Don't say you love me  
It's understood Don't say you're happy  
I'll play without me  
I know you can't be  
'Cause it's no good I'll be fine  
I'll be waiting patiently  
Till you see the signs  
And come running to my open arms Will you realize  
Do we have to wait till our worlds collide  
Open up your eyes  
You counted back the time It's no good
