

# Gypsy Blood

Marc Reece

Now, don't you try to put it down  
Don't pour cold water over me  
'Cause I been up and I been down, yeah  
She's the warmest thing I've ever seen 'Cause she got red hot gypsy blood  
Keepin' me warm tonight  
Yes, she got red hot gypsy blood  
Keepin' me feelin' all right Now don't you try to sell your wares  
'Cause I'll buy everythin' you've got, yeah  
Pots and pans and caravans  
And jet black curls all tied right up in a knot 'Cause she got red hot, hey, hey, gypsy blood  
Oh yeah, keepin' me warm tonight  
Yes, she got red hot gypsy blood  
Oh, keepin' me feelin' all right, hmm Now don't you try to sell your wares, little babe  
'Cause I'll buy everythin', just about everythin' you've got  
Pots and pans and charabancs  
And jet black curls all tied right up in a knot 'Cause she got red hot, hey, hey gypsy blood  
Keepin' me warm tonight, yeah  
Yes, she got red hot, huh, gypsy blood  
Oh, keepin' me feelin' all right Yeah, I feel all right, baby  
Yeah, I feel all right now  
Yeah, I feel all right  
Oh, I feel all right, hmm
