

Fighters (ft. Matthew Santos)

Lupe Fiasco

When the fighters all around
All the lovers are on the ground
No one will save you anymore
So whats happenin, whachu you rappin about
Lets see boy
Is it cars, is it girls
Is it money
The worldOr is it somethin they could never believe
Or is it somethin you could never achieve
Is it beyond your means, is it inside your dreams
Can it never come out cause its scared to, unprepared to
To worry about the words of the people is weird too
You don't want em to hear you
You just wish it was a door that would appear
That you can go disappear through
Well I'm feelin your pain, I was feelin the sameWhen the fighters all around
All the lovers are on the ground
No one will save you anymore
So whats happenin, whachu you rappin about
Lets see boy
Is it cars, is it girls
Is it money
The worldMan, I really miss my pops
Hope that god watches over him and that hes on top
That there is no more disease and that he's alright
That hes one of the generals inside the army of the light
And grandma, you know I had to bite somethin from ya
So after every show its peace, and much love to ya
Auntie tweetys on the way please look out for that girl
I know we'll meet again so it's never me against the worldWhen the fighters all around
All the lovers are on the ground
No one will save you anymore
So whats happenin, whachu you rappin about
Lets see boy
Is it cars, is it girls
Is it money
The worldI hope that god forgive us all of us sinners
Turn us back into beginners put us up where the winners go
Holy apartments in the gardens in which the rivers flow

Thank you for all your blessings and all of your miracles
I thank all my fans and all my supports
Shout out to bishop congrats on ya new baby daughter
I tip my hat to all my family and friends
Now we just got one more to go l-u-p-END
When the fighters all around
All the lovers are on the ground
No one will save you anymore
So whats happenin, whachu you rappin about
Lets see boy
Is it cars, is it girls
Is it money
The world
