

If You Don't Want My Love

[John Prine](#)

If you don't want my love
If you don't want my love
If you don't want my love
I know who I'll give it to If you don't want my love
If you don't want my love
If you don't want my love
Anymore If you don't want the thrill
If you don't want the thrill
If you don't want the thrill
I know who, I know who will If you don't want my love
If you don't want my love
If you don't want my love
Anymore If that's the way that the world goes round
Then that's the way that it all comes down
And when you want me, I won't be around If you don't want my love
If you don't want my love
If you don't want my love
I know who I'll give it to If you don't want my love
If you don't want my love
If you don't want my love
Anymore
