

Me & My Boyfriend

Toni Braxton

All I need in this life of sin
Is me and my boyfriend
Ride with me 'til the very end
Just me and my boyfriend
All I need in this life of sin
Is me and my boyfriend
Down to ride 'til the very end
Just me and my boyfriend
Ain't nothing in this world that I won't do
When it comes to being around you
You make me whole boy, did you know that I would die
If I had to live without you
Always there to wipe my tears
Thick and thin, through all these years
I'm in it for life with you
My love is true, you're all I need
All I need in this life of sin
Is me and my boyfriend
Ride with me 'til the very end
Just me and my boyfriend
All I need in this life of sin
Is me and my boyfriend
Down to ride 'til the very end
Just me and my boyfriend
Even if the world would end tonight
I know that I would have you by my side
So many days boy, that you took my pain away
'Cause only you can heal my heartache
When we didn't have enough
You made sure that I was taken care of
I'll lay down my life for you
I'll ride with you, you're all I need
And he's got my love
And he's mine, ooh whoa
And he's got my mind
Oh baby, ooh whoa
And he's got my love
And he's mine, ooh whoa
And he's got my mind

Oh baby, ooh whoa
All I need in this life of sin
Is me and my boyfriend
Ride with me 'til the very end
Just me and my boyfriend
All I need in this life of sin
Is me and my boyfriend
Down to ride 'til the very end
Just me and my boyfriend
(Me and my boyfriend)
He makes me feel so good inside
He keeps me satisfied
He ain't gon' make me cry
(Me and my boyfriend)
Gon' be there through thick and thin
Even until the end
He is my everything
(Me and my boyfriend)
We be on some Bonnie and Clyde
And we gon' always ride
Be right by his side
(Me and my boyfriend)
Baby take good care of me
He's always there for me
'Cause he's really all I need
All I need in this life of sin
Is me and my boyfriend
Ride with me 'til the very end
Just me and my boyfriend
All I need in this life of sin
Is me and my boyfriend
Down to ride 'til the very end
Just me and my boyfriend
All I need in this life of sin
Is me and my boyfriend
Ride with me 'til the very end
Just me and my boyfriend
All I need in this life of sin
Is me and my boyfriend
Down to ride 'til the very end
Just me and my boyfriend
