The Painter

Low Roar

Hmm, hmm, hmm, hmm
If I were a painter, mixing my colors
How could I ever find the blue of your eyes?
The canvas could never
Capture the light of your smile, of your smile
And girl, if I were a sculptor, working in marble
I couldn't hope to copy your perfect face
The curve of your body, the feel of your skin
My hands could never ever trace
So I'll try and find the melody as beautiful as you
(Baby)
Find the words to say your eyes are bluer than blue
Fill my voice with the emotion I'm feelin' for you
(Oh, yea)
And now, when the beat is so strong
I'll give my heart in a song oh
Oh, girl
If I were an actor, I could be someone
Someone who'd always know the right things to say
(Right things to say)
But as soon as I'd see you, I'd forget all my lines
And you'd never know what I feel inside
So I'll try and find the melody as beautiful as you
(As beautiful as you)
Find the words to say your eyes are bluer than blue
Fill my voice with the emotion I'm feelin' for you
And now when the beat is so strong
I'll give my heart in a song
There's no other way
(No other way)
That I know to say
(I know to say)
Baby, how much I love you
And if you'd only give me chance
(Oh girl)
I will try and find the melody as beautiful as you
(As beautiful as you)
Find the words to say your eyes are bluer than blue
(Bluer than blue)

Fill my voice with the emotion I'm feeling for you
And now, when the beat is so strong
I'll give my heart in a song
So I'll try and find the melody as beautiful as you
Find the words to say your eyes are bluer than blue
(Oh yea, bluer than blue)
Fill my voice with the emotion I'm feelin' for you
(Oh, girl)
And now, when the beat is so strooong
I'll give my heart in a song
I'll do, I'll do what I do, you know why
Why your eyes are bluer than blue?
Haa haa
Yea, I said I'll do what I do
(I'll give my heart in a song)
(You know I am not a painter, actor)
I'll do, I'll do what I do
(Baby, it don't matter)
Why your eyes are bluer than blue?
Haa, haa
Yea, I said I'll do what I do
(I'll give my heart in a song)
I'll do, I'll do what I do, you know why
Why your eyes are bluer than blue?
(Oh, you so beautiful)
Yea, I said I'll do what I do
(I'll give you my heart in a song)
I'll do, I'll do what I do
Why your eyes are bluer than blue?
