Byou (The Remix)

Sabrina Bryan

Everybody is somebody, everyone is special, you know
So different and so unique and individual
You know it, now show it, be what you feel in your heart
Believe it, you're perfect just the way you areYou've just gotta be you and nobody else
You're the original and you do it so well
You're the star, it's your world, everything that you do
So remember to be yourself 'cause you've gotta be youYou're brave and courageous, you've got the power inside
You're ready, strong enough for anything at any time
You know you, just be true, you've got a style all your own
Don't be shy, it's time to let yourself showYou've just gotta be you and nobody else
You're the original and you do it so well
You're the star, it's your world, everything that you do
So remember to be yourself 'cause you've gotta be youGotta be you and nobody else
You're the original and you do it so well
You're the star, it's your world, everything that you do
So remember to be yourself 'cause you've gotta be youWhen you know who you are nothing seems too hard
Oh and nothing can stand in your way
You're bold and beautiful, let the whole world know
Let everyone know your name!Yeah yeah yeah, oh, ba-baby you
Yeah yeah yeah, got to be you, you, you, you, youYou've just gotta be you and nobody else
You're the original and you do it so well
You're the star, it's your world, everything that you do
So remember to be yourself 'cause you've gotta be youGotta be you and nobody else
You're the original and you do it so well
You're the star, it's your world, everything that you do
So remember to be yourself 'cause you've gotta be you
