

Dance With Me (feat. MÃ©lanie Pain)

Nouvelle Vague

Lets dance little stranger
Show me secret sins
Love can be like bondage
Seduce me once again Burning like an angel
Who has heaven in reprieve
Burning like the voodoo man
With devils on his sleeve Wont you dance with me
In my world of fantasy
Wont you dance with me
Ritual fertility Like an apparition
You dont seem real at all
Like a premonition
Of curses on my soul The way I want to love you
Well it could be against the law
Ive seen you in a thousand minds
Youve made the angels fall Wont you dance with me
In my world of fantasy
Wont you dance with me
Ritual fertility Oh come on little stranger
Theres only one last dance
Soon the musics over
Lets give it one more chance Wont you dance with me
In my world of fantasy
Wont you dance with me
Ritual fertility Take a chance with me
In my world of fantasy
Wont you dance with me
Ritual fertility mjo
