# (you Make Me Feel Like) A Natural Man

## [Rod Stewart](#)

Looking out on the morning rain
I used to feel so uninspired
But when I knew I had to face
Another long, long day
Girl I used to feel so tired
Before the day I met you life had been so unkind
But you're the key to my peace of mind
'Cause you made me feel, you made me feel
You made me feel like a natural man
When my soul was in the lost and found
You came along to claim it
I didn't know, I didn't know
Just what was wrong with me
Till your kiss helped me to name it
Now I'm no longer doubtful of what I'm living for
But if I make you happy I don't need to do more
'Cause you made me feel, you made me feel
You made me feel like a natural man
Oh, baby, baby look
What you have done to me
Can't you see that you
Made me feel so good inside
Don't you know that I just want to be
Close to you, you made me feel so alive
'Cause you made me feel, you made me feel
You made me feel like a natural man
Baby I ain't doubtful of what I'm living for
But if I make you happy I don't need to do more
'Cause you made me feel, you made me feel
Well you made me feel like a natural man
