

# Anchor

## Roman Holiday

I wish I were a liar  
I'd lie myself to sleep  
I'd tell my mind I'm alright  
That freedom's in my feet  
As soon as I can walk again  
I'll surely hit the streets

I tried to pick my feet up  
I tried to get around  
But my love's like a good anchor  
Don't come up once it's gone down  
And I sunk it long ago  
Deep in an unforgiving sea

Don't look me in the eyes  
And tell me I don't need you  
And tell me I'm alright

I wish I were a healer  
I'd heal this heavy heart  
That you attempted to take care of  
But you broke it from the start  
Now everywhere I go  
I go everywhere alone

Don't look me in the eyes  
And tell me I don't need you  
And tell me I'm alright
