

Proud Words On A Dusty Shelf

Uriah Heep

Stand up and fight
Or you'll lose your right
You gotta stand in a line
Fightin' hard to hold on to your mind

Seek and you'll find
Proud words on a dusty shelf
Find and you'll seek
Keep on keep on helping yourself

When the wind of troubles comes
Put away all battle drums
And stand up and fight
Stand up and fight
Don't stand in a line
Hold on to your mind
