

Pandemonium

Pet Shop Boys

Is this a riot or are you just pleased to see me?
Why aren't we holding hands and talking sweet?
I love you really though I know no one believes me
There's chaos every time we meet Oh, now look what you've gone and done
You're creating pandemonium
That song you sing means everything to me
I'm living in ecstasy The stars and the sun dance to your drum
And now it's pandemonium You're crashing everywhere, it's like you're smashing china
Skidding on an icy road
You're major trouble since you were almost a minor
I sometimes think we'll both explode Oh, now look what you've gone and done
You're creating pandemonium
That song you sing means everything to me
I'm living in ecstasy The world's gone mad, what did you do?
Telling perfect strangers that I love you
The stars and the sun dance to your drum
And now it's pandemonium I can't make sense of anything
All I know is the party's in full swing
If we both just stop for a minute
I'd declare war and then you'd win it To tell you the truth I thought I was shockproof
Until I saw what you get up to
When you think about it it's quite an achievement
That after all I still love you Oh, now look what you've gone and done
You're creating pandemonium
That song you sing means everything to me
I'm living in ecstasy The world's gone mad, what did you do?
Telling perfect strangers that I love you
The stars and the sun dance to your drum
And now it's pandemonium
