

# Dancing In the Dark

Kim Wilde

We were dancing  
dancing in the dark  
Sweet romancing  
something's gonna start. We were dancing.

He stepped into the night with his heart open wide  
I was standing there with nowhere left to hide.  
He looked to me like a shadow moving in the night  
Then he took a hold of my hand in the soft moonlight.

And we were dancing  
dancing in the dark

. . .I could hear his heartbeat pounding in the night  
I could feel his body starting to be kind.  
With his soft red lips made up my mind  
His soothing kiss was all I desired.

And we were dancing  
dancing in the dark.

We kissed and touched but it wasn't enough to stop this wheel of fire  
One step at a time and I knew he was  
mine  
We were lost in the heat of desire.

And we were dancing  
dancing in the dark

. . .

No way

no way at all to stop us moving closer  
Each look in his eyes made my heart beat in time  
Over and over and over  
and over.

And we were dancing  
dancing in the dark

. . .

And we were dancing  
dancing in the dark

. . .
