

# Pirate Ships

## Judy Collins

Far away  
far away child  
turn your eyes  
far away child

Mamma will sleep right down beside you tonight  
mamma will sleep tonight

Pirate ships  
pirate ships child  
merry and bold  
sparkling and rich child

Coming to dock right at your feet tonight  
coming to dock tonight

In the stars  
in the stars child  
see the people in the stars child

They will fly right though your window tonight  
into your window tonight

Mamma will sleep right down beside you tonight  
mamma will sleep tonight

Far away...

---
