Defiance

Virgin Steele

Racing the Heavens,
Sons of Time
You Rule without Law I'm my own Master,
Ocean born Barbarian Lord I break your Power, stay your Hand
The Spear-point of Might Never show Mercy, never give, to false
Paradise Alternate Power, see you
Burn Take your Path through the fading Light
DEFIANCE, DEFIANCE,
a God or a Man I Challenge your Power, your Order,
your Stand I Fight for my People,
my Home and my Land Fighting is our Legacy on Earth !
Shout to the Wind, not to me,
I answer to none
Go ask the Sea not to break,
my Power's in One Know the Lion, know the Foal Know strength in your
Soul Praised be the Bastards who die for a Love,
for Beauty not Gold
Holy tomorrow, see you Shine,
place my Sword in your Ancient Might
DEFIANCE, DEFIANCE,
a God or a Man I Challenge your Power,
your Order, your Stand I Fight for my People,
my Home and my Land Fighting is our Legacy on Earth !
ON EARTH ! ! !
Never forget . . . . . .
Now turn to face me Great Despot enshrined
The Wealth of our years of Injustice has purchased this
Night I take your Power,
I slay your Clan
Clouds and Furies now fly, in the face of Despite I take your Power,
I look in your eyes,
Watch see, see how a God dies ! ! !
Shout to the Wind,
"I am there, the Power of One"
Ask the Sea not to break, I answer to none
Never show Mercy, I'll never give in to Fear,
Force and Might Faith is the sound of the
Chaos inscribed on the Blood of my Life
Look at me Father you'll see me

Shine with Vengeance Divine ! ! !
DEFIANCE, DEFIANCE,
a God or a Man I Challenge your Power,
your Order, your Stand I Fight for my People,
my Home and my Land Fighting is our Legacy . . .
DEFIANCE, DEFIANCE,
a God or a Man I Challenge your Power,
your Order, your Stand I Fight for my People,
my Home and my Land Fighting is our Legacy on Earth,
ON EARTH ! ! !
