Jemenez Cricket

Brutal Truth

Cricket's home
Right high where he outta' be
Sailing high
Crystal clear, cash flow, rainbows
Our sweet drug manPlease don't try to understand
Shot alone, we're alone
So aloneGetting kicks
Taking risks
Fucking with the numbers
Turning tricksArt of deal
The numbers feed
Life surrealCricket's home
All aloneThinking kicks without the trip
Kicking back and turning on
Punching out reality
While sifting through the hand that feedsGetting kicks
Taking risks
Fucking with the numbers
Turning tricksArt of deal
The numbers feed
Life surrealThe art of deal
Life goes onLife is true, can't you see
You're backing out on family?Everything to live for
Pure euphoric dreamLife is pure, can't you see
You're backing out on family?The art of the deal
Life goes onCricket's high, sky highCricket's home
Right high where he outta be
Sailing high
Crystal clear, cash flow, rainbows
Our sweet drug manPlease don't try to understand
Shot alone, we're alone
So aloneGetting kicks
Taking risks
Fucking with the numbers
Turning tricksArt of deal
The numbers feed
Life surreal[Incomprehensible]
