

Wait For You Forever

Mishon

Let it ride out
Let it ride out Everybody wanna know we got between us
Cause they dont see us when were alone
Or when we talk on the phone yeah
But they dont even got no ideas about us
Cause we aint tryna let nobody step in
And pull us out of this zone Do I think you fly? (yes)
But I dont wanna pressure you to
Do anything you dont wanna do, no
Cause we got a lot of time (yes)
And I plan on being with you for the
Rest of my life girl Ill wait its alright im going to wait for you
even if it takes forever, ever, ever, ever, ever, ever, evveerrr
Thats what a real guy suppose to do
Aint gonna give you no pressure, pressure, ever, ever, ever, ever, evveerrr
Im gonna wait here till the time is right baby
Cause I know you wanna say yes
Imma fill your appetite yeah
So Im gonna wait for you
Even if it takes forever, ever, ever, ever, ever, ever, evveerrr Now shorty i know you
Hearing things
About girls I had
Before you
But that dont change a
Thing between us
Girl you know we got chemistry
That cant be replaced
By anybody or by anything, no Do I think you fly? (yes)
But I dont wanna pressure you to
Do anything you dont wanna do, no
Cause we got a lot of time (yes)
And I plan on being with you for the
Rest of my life girl Ill wait its alright Im going to wait for you even if it takes forever, ever, ever, ever, ever,
ever, evveerrr
Thats what a real guy suppose to do
Aint gonna give you no pressure, pressure, ever, ever, ever, ever, evveerrr
Im gonna wait here till the time is right baby
Cause I know you wanna say yes
Imma fill your appetite yeah

So Im gonna wait for you
Even if it takes forever, ever, ever, ever, ever, ever, evveerrTheres a million things I wanna do
But Im gonna put your feelings first
No way that Im gonna hurt my baby
Making you do things you aint ready to so

Even if it takes forever, ever, ever, ever, ever, ever, evveerrr
Thats what a real guy suppose to do
