

# Sky Falls Down

[Eric Saade](#)

People talkin' like it's the end of time  
And I look up to the heavens for a sign  
Everybody's lookin' at me but I won't be deceived or afraid  
'Cause I know that the Son is on the way Yeah, sky falls down, it crumbles into the sea  
The sun goes out, He's coming back for me  
I'll be found at the place where the gravity leaves the ground  
And I won't be comin' down now And I've heard rumors that war's not far away  
If they take me I know just what to say  
Everybody's up in arms but I won't be alarmed or afraid  
'Cause I know that the Son is on the way Yeah, sky falls down, it crumbles into the sea  
The sun goes out, He's coming back for me  
I'll be found at the place where the gravity leaves the ground  
And I won't be comin' down, down, down Yeah, sky falls down, it crumbles into the sea  
The sun goes out, He's coming back for me  
I'll be found at the place where the gravity leaves the ground  
And I won't be comin' down Sky falls down, it crumbles into the sea  
The sun goes out, He's coming back for me  
I'll be found at the place where the gravity leaves the ground  
And I won't be comin' down, down, down, down, down, down
