Worlds Apart (Album Version)

Jude Cole

Save me from the dark of night
I'm drifting like a satellite
Miles from understanding
Where this love will lead
Heaven let your light fall down on meNow I'm over-thinking
Love can't be this hard
We seem to be spinning worlds apartSometimes truth is hard to touch
We give too little, expect too much
Promises forever hiding in our eyes
Worlds of chances passing byNow I'm over-thinking
Love can't be this hard
We seem to be drifting worlds apart
You could wait forever
Lord I can't do that
Spend a lifetime looking back
