Advisory - the following lyrics contain explicit language:

There's a man on the bus, screamin' about Presley
There's a man on the bus, screamin' about Presley
All tied up got a knot in his hands
Presley sucked on doggie dicks I'm the king of rock 'n roll
If you don't like it, you can lump it
You gotta get me back to the base
You gotta get me back to the base Presley's been dead, the body means nothin'
The man in the back says Presley sucked dicks
With a picture of li'l Stevie over his head
I'm in the back with a hole in my throat I'm the king of rock 'n roll
If you don't like it, you can lump it
You gotta get me back to the base
You gotta get me back to the base There's a man on the bus, screamin' about Presley
Rips a newspaper up in his hands
Helicopter shoots down a military spot
Everybody runs from screamin' about Presley I'm the king of rock 'n roll
If you don't like it, you can lump it
You gotta get me back to the base
You gotta get me back to the base There's a man on the bus, screamin' about Presley
There's a man on the bus, screamin' about Presley
All tied up got a knot in his hands
Presley sucked on doggie dicks I'm the king of rock 'n roll
If you don't like it you can lump it
You gotta get me back to the base
You gotta get me back to the base You gotta get me back to the base
You gotta get me back to the base
