

Love Crossed Pistols

Beyond All Reason

You stabbed my heart
And cut my love
You watched me die so lovingly
I can't change this,
I just want your last kiss
To be for me. It's time,
If we can't kiss this all goodbye
You get what you want,
You take what you need, from me
And im left bleeding You stabbed my heart
And cut my love
You watched me die so lovingly
I can't change this,
I just want your last kiss
To be for me,
To be for me.
Well, You've broken my heart,
When you talk to me,
Walk over me with your words,
You can cut my heart with a knife,
But it won't stop bleeding. You stabbed my heart
And cut my love
You watched me die so lovingly
I can't change this,
I just want your last kiss
To be for me,
To be for me
Come on! Don't ever kick my heart,
'Cause I will shoot your love,
You've stopped my heart,
And you've seen the color of my blood.
You stabbed my heart
And cut my love
You watched me die so lovingly
I can't change this,
But I just want your last kiss
To be for me,
To be for me,
To be for me!
