

# Fight 'Em 'Til You Can't

## Anthrax

City authorities in your area  
Have reported that the bodies of the dead  
Are rising from the graves  
And attacking the living When did this begin  
This curse as old as sin  
Reality is bleeding at the core  
Brilliant savagery  
Decapitate and bleed  
Out the spoiled seed until it's pure The darkest devil nightmare blacker than their evil souls you gotta fight em'  
I'll end you  
God save us prayers fall on deaf ears so put your faith in force you gotta fight em;  
I'll end you  
The murder in your eyes is just the will to stay alive you gotta fight em'  
I'll end you  
Cause there's no humanity when the dead come back to feed you gotta fight em  
Fight em' In the end of everything  
The dead will rise and sing  
Fight em' til you can't fight no more  
The world is only blood  
Rage becomes your love  
Fight em' til you can't fight no more I will end you  
Kill and kill the thing  
It's mind shattering  
When murder is  
The only cure  
Brilliant savagery  
Decapitate and bleed  
Out the spoiled seed until it's pure The darkest devil nightmare blacker than their evil souls you gotta fight em'  
I'll end you  
God save us prayers fall on deaf ears so put your faith in force you gotta fight em;  
I'll end you  
The murder in your eyes is just the will to stay alive you gotta fight em'  
I'll end you  
Cause there's no humanity when the dead come back to feed you gotta fight em  
Fight em' In the end of everything  
The dead will rise and sing  
Fight em' til you can't fight no more  
The world is only blood  
Rage becomes your love

Fight em' til you can't fight no more
