They Think I'm Crazy (A Little Preparation)

Cabbage Patch Kids

As a matter of fact I usually find,
A little full of thinkings is a whole lot of time.
As a general rule I think you say,
That a little preparation goes a long long way.

And they think Iâ€™m crazy, I know they think Iâ€™m crazy,
And maybe we'll never agree.
They think Iâ€™m crazy, I know they think Iâ€™m crazy,
How I wish I could make them see.
When it comes to the test, I must do my best.
A little preparation will do it for me.

Monologue:
Hi Norma!
How you doing?
Ok I guessâ€¦ Itâ€™s just, the boysâ€¦
Whatâ€™s up?

Well they think Iâ€™m crazy, (Oh no!)
I know they think Iâ€™m crazy, (Oh no!)
And maybe we'll never agree. (You can make them see that your right)
They think Iâ€™m crazy, I know they think Iâ€™m crazy, (We know that you're right) (We know)
How I wish I could make them see.
When it comes to the test, (Oh yeah!)
I must do my best, (Oh yeah!)
A little preparation (Yes!)
will do it for me. (Thatâ€™s right!)
A little preparation will do it for me.
Yes sir, a little preparation will do it for me. (Laughs)
