

# Wild Heart (Zeds Dead Remix)

Sabi

I tried to control it  
Tried to maintain it  
Tried to contain it  
But I failed terribly  
And I don't know what to do I tried to hold back  
And accept the fact, we ain't perfect  
But what we got goin' on might leave us both with bruises Neither one of us wanted either one to say goodbye  
But both of us keep hittin'  
Keep on on screaming and we don't know why we're in love Damn (Damn!)  
This wild heart of mine  
It's gon' get me in trouble  
Damn (Damn!)  
This wild heart of mine  
It's gon' get me in trouble I'm out so I folded  
Bad hand, so I'm throwing it all in  
It's no one to blame  
Too young in the game for this whirl wind Let's try to hold back  
And accept the fact, we ain't perfect  
Cause I love ya  
At least I think I do  
But baby! Neither one of us wanted either one to say goodbye  
But both of us keep hittin'  
Keep on on screaming and we don't know why we're in love Damn (Damn!)  
This wild heart of mine  
It's gon' get me in trouble  
Damn (Damn!)  
This wild heart of mine  
It's gon' get me in trouble Look me in the eyes  
And tell me with no lies  
That you feel the same  
Look me in the eyes  
And tell me with no lies  
That you can be a better man  
But I don't think you could Damn (Damn!)  
This wild heart of mine  
It's gon' get me in trouble  
Damn (Damn!)  
This wild heart of mine

It's gon' get me in trouble
